HONORS

GIRLS STATE REPRESENTATIVE

Girls' State was the most unforgettable experience. In only a week, I learned so much about our system of government and how it works. It was exciting to actually take part in the proceedings of a mock government.

I made many new friends and gained confidence in myself. I would like to thank Mr. Quinn, the faculty, and the American Legion Auxiliary for giving me this great opportunity.

Best wishes to the 1985 Girls Stater and I hope you have as much fun as I did.

Sincerely, Katie Morimoto

Vincent, I can't say that I regret us getting together because we had some good times together, but I guess we weren't meant to be. I know we haven't been the greatest of friends since our break-up, but then again you and I carry don't get along too well. You really are a great person and deserve to have a great relationship with someone who is willing to have one. You taught me how to be patient and understanding with someone I love. I must thank you for that. You were really unique. I wish you...

Héj,

This past summer I stayed for two months with the Wallheden family in Uårgårda, Sweden on the AFS summer Program. The experiences I had will probably go down as one of the greatest times in my life.

I lived with a family of 5, Borje and Christina, my parents, Jenny and Louisa, my sisters, and Gustau, my brother.

I can only encourage people to try the AFS program, because it gave me friends all over the world and an abundance of memories.

RETIREE

DONALD J. FOX PRINCIPAL 1979-1984

It has been a distinct pleasure serving as the Principal of Arroyo High School for 5½ years. I have worked as a teacher, counselor, assistant principal and principal in the El Monte Union High School District for the past 30½ years, and I have been fortunate to be able to retire as the principal of this outstanding high school.

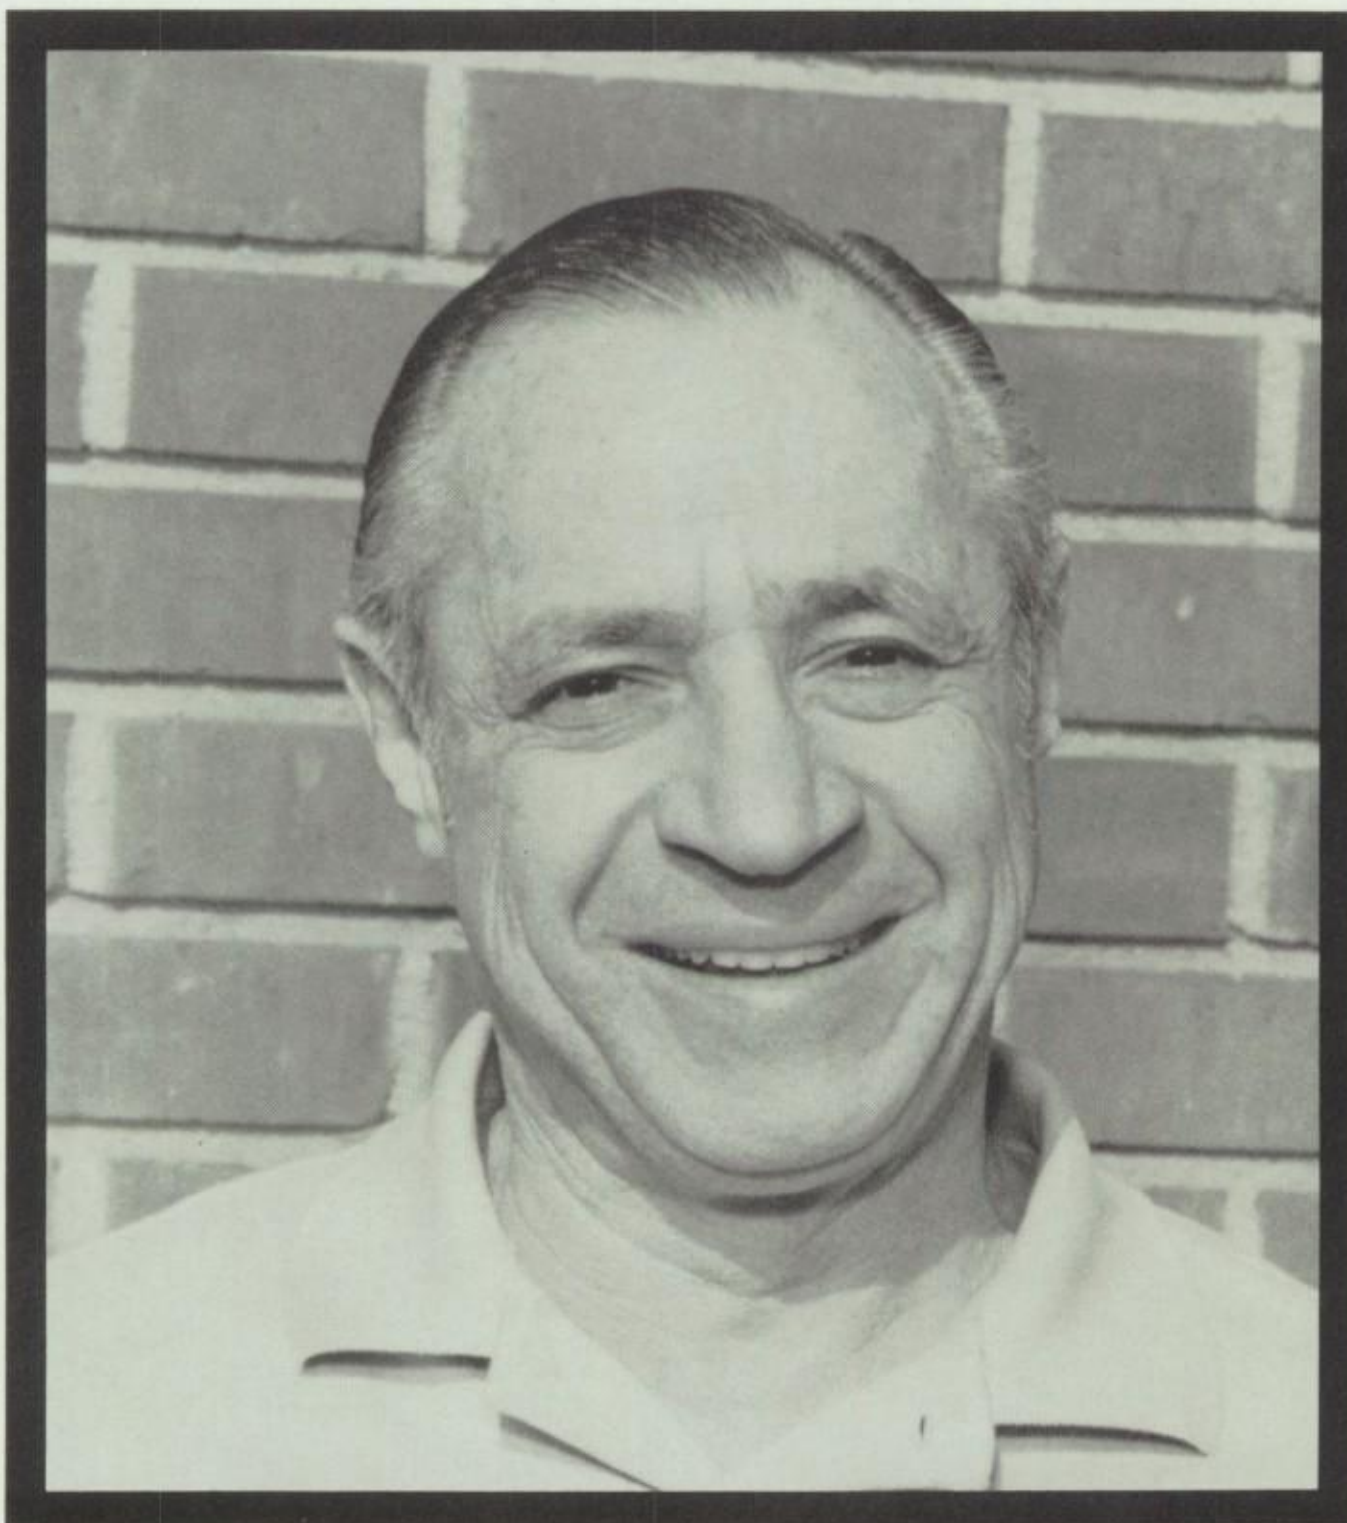

I would like to thank you for the privilege of being able to work with thousands of great young "Knights," wonderful parents, very supportive teachers and staff, in a great school district.

My career has been very rewarding. In fact, I have led a "sheltered life" in 34 years as an educator. I leave December 21st with many fond memories of my career as an educator.

Goodbye, Knights, and good luck. If your paths ever cross in the future, please come up and say "HELLO." It will be great seeing you.

Donald J. Fox

RETIREE

HARRY L. SCHNEIDER EDUCATOR 1962-1985

Most of my teaching career was at Arroyo High School. It is a great school with a wonderful staff of dedicated educators.

Some day *all* students will wake and take advantage of the opportunities afforded to them.

Summer is gone, no more sleeping late
 Early to school, promptly at eight
 School has started and there's many new faces
 You can tell they are from all different places
 The athletes are on cloud nine
 I'm proud to be in this country of mine
 The staff is decided, the theme has been picked
 But we're giving out clues so the students are tricked
 Florescent colors where ever you go
 How people wear that I don't know
 Pep commission is full of fun
 With Wendy as captain they'll get the job done
 We finally have a cheerleader that's male
 With a guy like J.R. we know we can't fail
 The freshmen were scared the first day of school
 By the time they are sophomores they'll think they're
 real cool
 It's freshmen, freshmen everywhere
 They rush about, here and there
 The blue, black, and white assembly was quite an
 endeavor
 The freshmen will remember it forever
 The Howdy Dance is coming soon
 Expect to see the freshmen there at noon
 Summer is gone we're now back to school
 The obsolete phrase is "keeping it Cool"
 The classrooms are open and students are seated
 The teachers drag time while the students are heated
 With highs in the hundreds we almost did sizzle
 But thanks to Marie we at least go some drizzle
 The heat is unbearable, I cannot think
 I'd rather be on an ice skating rink
 Out were the lights on some of our streets
 Results of an overload due to the heat
 The first football game was really great!
 We cremated Pasadena 0 to 28
 We won our first game 28 to 0
 Now we can prove Arroyo's our hero
 Arroyo had its first football game
 We looked neat, while South Pasadena looked lame
 Arroyos' football team is comin' along swell
 MacKinnon says we're gonna do well
 Our football players did well
 Last night we beat Cantwell
 The Nights have been winning by a mile
 That's sure to make everyone smile
 Our new full-time librarian is Mrs. Peel
 Come check out our fiction and those supposedly real
 Driving students don't you dare forget,
 Register your car and you won't regret
 Senate Bill 813 will keep our Seniors in class
 I bet the class of '88 will think it's a pain in the bottom
 Hot VW's are in style
 They'll be around for awhile
 The Knights plucked the cardinals 40 to 6
 And the staff took some really good pics
 Gina who was mingling all around
 Took pictures of that rambunctious (football) crowd
 Up at seven, to school by eight
 Couldn't hack it, so we came late
 There's alot more trendies, yes it's ture
 You better watch out cause they might copy you
 To be in dance you had to pass a test
 Because Ms. Lyles will only except the best
 Tardies to class are lower this year
 Cause the student body has Mr. Robbins to fear
 Going to Salvo's is a hip new place
 Especially for the rocker who only take up space

Freshmen think they're really great
 But on a scale of 1 to 10 they don't even rate
 Freshmen are usually found staring in space
 Since they can only chew gum while standing in one
 place
 The cheerleaders will make you jump and shout
 To show you what school spirit's about
 Kids are swarming to the L.A. County Fair
 Can't someone give me transportation there?
 I picked up my parking permit today,
 For 50 cents, they won't tow it away
 Pictures are being taken for our candid pages
 We plan on putting them in our book of the Rock Ages
 Petitions are being handed out for freshmen class
 elections
 All freshmen are told to make wise selections
 We beat Whittier 27 to 22
 Arroyo scored on the first play on a run by Tom Arvisu
 Miss Friendly El Monte is coming around,
 The Arroyo girls are princess bound
 The heat is unbearable, there is no cool day
 "When will it rain?" We all seem to say
 Michele did great in her X-Country race
 She was jamming away and took second place
 This class of mine is really a bore
 I don't think I'll be able to take anymore
 Next Friday is the Howdy Dance
 Come welcome the freshmen if you get the chance
 This year we have 3 bells before all our classes
 Mr. Quinn is really happy about the lack of masses
 Look at the new fashions from neon orange to electra
 blue
 They have finally made their way to Arroyo High School
 Anthony Loya is sending my proofs
 I only hope they aren't all the goofs
 Mark is working hard on the cover
 It will be interesting to see what he discovers
 Tonight is the Howdy Dance we'd wish you all come
 It is mainly for freshmen to have some fun
 Selling football ribbons was really a hit
 For only 50 cents kids were really buying it
 Arroyo is now four and 0
 That's top in Mission Valley League, Didn't you know
 Arroyos latest principal is now Mr. Quinn
 It's nice to know Arroyo High is running well within
 Tonight we play the Workman Lobos
 After the game their going to look like hobos
 Sitting in a classroom my mind tends to wander
 Laying on the beach, I can think of nothing fonder
 Arroyo's win over Workman High was really a delight
 Of course it had to be topped off by engaging in a fight
 To get our equipment, back and forth we came
 We had to stuff our room, it'll never be the same
 The Shield Staff room has finally been selected
 All we need now is to have it disinfected
 Our, feud with Rosemead has been going on for 29
 years
 Tonight we play them to add some more cheers
 The editors office is being cleaned out for Shelly
 When we first walked in, it was really smelly
 A day at home to catch up on the soaps
 Would be really nice for all of us dopes
 School's been in for quite some time
 I think it's time to rest my mind
 One, two, three, four, five
 We're the school that's most alive
 Grades closed yesterday'
 I wonder what my parents will say

ODES

Arroyo beat Rosemead 28 to 7
 Varsity Knights are in seventh heaven
 Funk is the most popular music at the dance
 Wish they'd give Rock n' Roll a much earned chance
 November first is Back To School Night
 I better run now, and get out of sight
 In English Ms. Ware is finally getting the knack
 Mr. Nelson we miss you, we want you back
 Witches, warlock, vampires too
 I think they're scary, how about you??
 Creature feature fashion show
 They all dress funny, don't you know
 From hot to cold is how the weather changed
 Inactive by shivers, many pounds we'll have gained
 Tonight we play Duarte and we hope not to be beat
 If we beat them, we will have accomplished a feat
 In the season opener, we beat Rosemead 28 to 7
 We have now outscored our opponents 173 to 47
 English for some people is such a breeze
 But for me, I'd like to catch some Z's
 The florescent fad came in greens and in pinks
 But actually we think it all stinks
 Did you see Farrah Fawcett in "The Burning Bed"
 Her husband should have been shot dead
 October fifth is a day I dread
 If I don't turn in a book report, hey I'm dead
 Varsity football lost their first game of the year
 That's okay guys! Another victory is near!
 The college bound Juniors were anxious today
 The PSAT has left them astray
 Have you gotten the five day flu,
 If not, just wait, you'll feel real blue
 Bruce Springsteen's concert was last night
 The lights that fell caused a freight
 Norwalk is our first parade
 We'll go through like an evergalde
 Everyone keeps bugging me to tell them the theme
 When I don't tell them, they say I'm mean
 Our homecoming game is a week from tonight
 We'll be there to watch the fight
 Time to choose the Homecoming Queen
 She has to be sexy, sweet, and lean
 Prince was there, he was all decked out
 As the guys and gals began to shout
 The dance was really neat
 Cuz KIIS F.M. has the beat
 I thought that by now rock would be dead
 But it keeps on going, full steam ahead
 We beat Mark Keppel 0 to 33
 Who is the best, at CIF we'll see
 Our football team is CIF bound
 At their games they're awesome, they don't clown
 around
 The Seniors pics have finally arrived
 The undergrads feel deprived
 Varsity is now CIF bound
 They will play Chino in the first round
 The school days are getting better
 Yet, the days are cold, so don't forget your sweater
 Christmas is coming, not like any before
 It's not safe, shut the windows and lock the door
 Senior Class Council is selling See's suckers
 So give one to your girlfriend instead of those puckers
 Varsity football is seeking CIF or bust
 Their first game looks rainy but a win is a must
 Drama is rehearsing Rashomon for their first play
 Let's plan to attend, buy your ticket don't delay
 The first deadline was met with struggles and cries

The next one is coming lets break for some fries
 Baby Fae died with a failing babboon heart
 Her name will be remembered, science made its mark
 Tomorrow band has an invitational
 We all hope they do sensational
 Baby Fae died at nine
 And we all thought she was doing fine
 Coming up the 21st is the Christmas Ball
 The "Big Beat" will be there, so don't boogie out of
 your pants
 Arroyo football is doing great, so I hear
 It's a big improvement, from last year
 You better watch out, you better not cry,
 'Cos you won't get anything from the little fat guy
 The basketball team will jam with no doubt
 Lets go for the big one, don't be left out
 The baseball team is practicing for league
 Hitting and catching with much fatigue
 People on Shield Staff can never be found
 Whenever we need them, we need a bloodhound
 Our new yearbook room is really small
 We're so crunched-up, we can't work at all
 Our second deadline is coming up soon
 In fact it's next week, we better change our tune
 The Christmas Ball was quite a sight
 They all had fun, what a wonderful night
 Exams are here with no half days to spend
 The students are griping "Will it ever end?"
 A.S.B. elections are coming around, Paul or Missy?
 which one is President bound
 The basketball team is now 1 to 1 in league
 After each game they are full of fatigue
 Today the Soccer team plays Mountain View at Arroyo
 We should do good since we're on our home soil
 Lately the days have been ugly and grey
 Everyone hopes for just one light of ray
 Augusto Davila was quite a sight
 He became our Homecoming Knight
 Edwin Moses caught soliciting a prostitute
 Because of this, there is a big dispute
 Everyone's hoping that the finals will go away
 But to their dislike, they're gonna have to stay
 Yesterday Pres. Reagan partied all night, which wasn't a
 bore
 Good thing he didn't get drunk and start a nuclear war
 The famine in Ethiopia is really sad
 If you really think about it. It's the worst we've ever
 had
 Good as ever is the Arroyo track team
 The reason for this is because they're full of steam
 ASB elections are finally here
 When the candidates make their speeches, they'll be
 full of fear
 Michelle Stafford was crowned Homecoming Queen
 A lot of people thought that was real keen
 Mrs. Fernald is our new Assist. Principal
 She started out great and now she's invincible
 In two weeks our theme pictures will be taken
 Wearing almost nothing, no one'll be shaken
 Baseball's coming with swings and slides
 Hit those homes, watch 'em glide
 Chernenko, leader of the Russians is dead
 Now who will be the new Russian head?
 Early this March Mr. Vice suffered a massive heart attack
 We hope that he will soon be back
